

Blood Sugar Breakthrough is specifically designed to help maintain blood sugar levels already within normal ranges. May support healthy insulin response/sensitivity. May benefit those wanting to balance blood sugar levels around simple carb "cheat meals".†

Directions: Take 2 capsules before each meal. Store in a cool/dry location.

Caution: Keep out of reach of children. As with any product, discontinue immediately if adverse effects occur. Please consult a physician before beginning any new supplement, diet, training program, or if you are undergoing treatment of a medical condition.
