

Sleep Breakthrough is a powerful, melatonin-free, sleep support formula designed to help you fall asleep, stay asleep, and wake up feeling refreshed.* Sleep Breakthrough targets several areas involved in sleep, including melatonin and GABA pathways, to calm the body and quiet the mind.*

Directions: Use only as directed. Mix 2 scoops (1 tsp) with 4 oz water and consume one hour prior to bedtime. Two scoops is the recommended starting dose. If desired results are not observed, use 1 scoop (1/2 tsp). If desired results are still not observed, use 1/2 scoop (1/4 tsp). While 3 scoops may be appropriate for certain individuals, this quantity may have the opposite effect in others. Results vary by individual and are dose-dependent.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: Keep out of reach of children. Do not operate machinery or a vehicle or otherwise engage in activities that require you to stay alert. As with any product, discontinue immediately if adverse effects occur. Please consult a physician before beginning any new supplement, diet, training program, or if you are undergoing treatment of a medical condition.

Packaged by weight not volume. Settling of contents may occur. Clumping may occur in humid environments. Keep tightly capped and store in a cool, dry location.
